

Dundee Korfball Club

Youth Korfball Competition – Sunday, May 26th, 2019

Dear Parent/Guardian,

Your child is being invited to represent his/her school in Dundee Korfball Club's Summer Korfball Tournament, to be held on **Sunday, May 26th** in **Dawson Park** (Strathern Road, **Dundee**, DD5 1PJ). The event will run from **1:00pm to 3:00pm**, and will be hosted on the astroturf pitches near the centre of the park. Admission is free, and all that your child will need to bring is some suitable clothing and footwear (t-shirts and trainers are fine). A bottle of water or non-fizzy drink would be sensible too, although other refreshments (BBQ, baked goods and drinks) will be available on the day.

Please return the attached parental consent form to your child's coach/teacher/school, or **sign up for the event on-line** at <https://forms.gle/284cPyW4R51U5zfK7> in order to help the event's organisers.

This competition is limited to P7 (and younger) players, and is intended to inspire a new generation of players to play korfball in a safe, fun and sociable atmosphere. We are hoping that many children will want to carry on playing korfball after this event, and with this in mind Dundee Korfball Club will continue to offer **youth korfball training sessions every Thursday evening from 5:30 to 6:30pm at Dundee's Ardler Complex** (see www.dundee.korfball.org.uk for details).

If you require any more details about either DKC or the schools event, please contact either the club's Youth Development Officer, **Nigel Cooper, on 07817 640432** (email nigel@korfball.org.uk) or the club's Child Protection Officer, Cath Cook, on 07722 910354.

Competition Rules (Information for your kids)

- 1 team = 2 boys + 2 girls. Boys mark boys, girls mark girls.
- Game duration = 5-10 minutes (each team will play several games on the day).
- Goals/baskets can be scored by any player. Post-height = 2.5m.
- No shooting while defended (where defended = closer to the post, within arm's reach of (and facing) your attacker, and trying to block the path of the ball with your hand).
- Korfball is a non-contact sport – contact with either the player or the ball (whenever someone's holding it) is not allowed.
- No "travelling" with the ball (no solo-play or "dribbling", but pivoting is allowed).
- No punching or kicking of the ball (actually, no ball contact "below the knee").
- Breaches of the rules result in either a restart or a penalty-shot for the opponents.
- Opponents must not hinder the pass at a restart, and no-one is allowed within 2.5m of the shooter or the post at a penalty. Penalties are taken 2.5m from the post.
- Total respect for all other players, as well as the referees and organisers, at all times ("the ref's decision is final").
